Re: Visa Desjardin card # 4530 9125 3325 2018

I have just tried to use my Visa Desjardin card to purchase an airline ticket, but it did not work. When I went to your website to submit a query, I noticed there have been many charges against my account that I did not make.

Please do not pay these charges. I did not make these purchases.

This is fraud from FRG*TEAMFANSHOP
