I am trying to reply to a message from Margaux but nothing happens when I hit the send button.

This is my response:

It is much easier for me to communicate this way.

Pay phones are awkward here and there is a 9 hour time difference.

Please advise me of the status of my account.

This is an urgent situation. I am overseas and need means of acquiring cash, airline tickets, and Hotel bookings.

Please advise promptly by email or this message box.
